

VULCAN COUNTY **Hay Cutting Permit Policy**

POLICY

1. Adjacent landowner of occupant has the first right to cut hay under a permit obtained before May 31.
2. Permits may be granted to non-adjacent landowners or occupants at the County's discretion.
3. Weed control remains the responsibility of the County.
4. Neither cut hay nor baled hay may be deposited on the travelled and maintained surface of the road.
5. Permit holder is responsible for the removal of hay bales by the day following baling.
6. Permit holder must carry out haying operations in such a manner that no hazard to traffic will exist.
7. Permit holder indemnifies and saves harmless Vulcan County from any claim arising out of his haying operation.
8. A fee may be charged for a permit.
9. Permits are in effect until August 1 of the year issued and will be deemed abandoned if not renewed by May 31st of the following year.
10. Vulcan County has the right to cut and maintain vegetation on the road surface regardless of a hay permit without compensation to or consent of the permit holder.
11. Vulcan County reserves the right to cut and maintain vegetation on roadside slopes to a distance equivalent to one mower width of the cutter regardless of a hay permit without compensation to or consent of the permit holder.
