Large City Comparisons

(close to Vulcan County)

Vulcan County's Residential Municipal Tax Rates have historically been lower than the **City of Lethbridge** (8.1763 mills - 2024), but are now even a lower municipal tax rate than the **City of Calgary** (4.2036 mills- 2024).

Residential Tax Rate Reductions

Through Strategic Planning and assessment growth, the County was able to **significantly reduce the General Municipal Tax Rates for Residential Properties**, including **40.00% in 2023** and an additional **31.67% in 2024**.

Other Municipal Tax Rates

In addition to Residential Tax Rate Reductions, there were **also reductions in Non-Residential tax rates**, including **5.50% in 2023** and an additional **4.45% in 2024**. Most other rates have had smaller fluctuations from year-to-year.

i

Municipal Taxes:

Vulcan County establishes a "General Municipal" tax rate for County Operations; whereas, for transparency purposes, the County also establishes separate tax rates for the Waste Commission, Fire Protection Services, and Recreational Services.
