

Council Highlights

October 7, 2026 Vulcan County Council Meeting

Bylaws & Policies

Bylaw 2026-027 Land Use Bylaw Amendment - 1st Reading - APPROVED

Council gave first reading to Bylaw 2026-027, a bylaw to amend Land Use Bylaw 2020-028. Administration has maintained a running record of errors, outdated references and minor operational issues identified through the day-to-day application of Land Use Bylaw 2020-028. Bylaw 2026-027 proposes to address these items through a single omnibus amendment rather than a series of piecemeal amendments. While the majority of the proposed changes are not substantive, a smaller number of amendments would change how the bylaw operates. A Public Hearing will be scheduled for a future meeting.

Bylaw 2026-028 Municipal Reserve Designation Removal- 1st Reading - APPROVED

Council gave first reading to Bylaw 2026-028, to remove the Municipal Reserve designation from Plan 9612380, Block 27MR. The County-owned lands legally described as Plan 9612380, Block 27MR form the south portion of the Sunset Marks subdivision and adjoin nine privately owned parcels. The proposed project would remove the Municipal Reserve (MR) designation, subdivide the land into portions corresponding to the adjoining properties, and sell those portions to the landowners for consolidation with their existing titles. A Public Hearing will be scheduled for a future meeting.
